# *Maladaptasi* on the Waterfront: Climate Change, the Great Garuda, and a Sinking City

**Keith Bettinger**

Adjunct Research Fellow, East-West Center

---

Thursday, November 9, 2017

12:00 p.m. – 1:00 pm

John A. Burns Hall, Room 3012 (3rd floor)

---

Jakarta, Indonesia is the site of an ambitious waterfront development project that combines

The Great

Garuda project, a series of artificial islands in the shape of the mythical steed of Vishnu, was
