

Teaching Emotional or Controversial Topics

Fall 2022

Tuesday, October 4
11:30 am–12:45 pm
Online Event

difficult and potentially controversial topics. In this workshop, Tiarra Cooper, from the University of Massachusetts Amherst, will discuss preparing students for challenging conversations by introducing "whole brain living," establishing trust and setting boundaries by way of community building, and cultivating skills that can be used

This event is sponsored by OFDAS Center for Teaching Excellence (CTE).
